"An extraordinary opportunity to own the official MAD Pin Collection!"

A Brief History of the MAD Pin Collection

In late 1990, MAD publisher William Mildred Farnsworth Higgenbottom Pious Gaines IX decreed that there should be an official MAD Pin Collection and ordered that famous artisans from around the world be contacted to see who would work the cheapest to create these objects of art!

Unique in all of jewelry-making history, we broke the mold before we cast these pins!

Each official MAD Pin is precision crafted by machines that are turned On and Off by hand!

Each Pin is cast in Space-Age Alloys—the same Alloys used to make NASA space shuttle souvenir pins sold by guys hanging around Cape Canaveral!

The Official MAD Pin Collection smells like jewelry that costs thousands of dollars and can be mistaken for real gold at distances over 500 meters (though at shorter distances they may be mistaken for a lot of other things!)

These Pins will not be sold in any store—we know, we tried getting any store we could find to sell them and nobody would touch them!

Due to the special nature of this offer, the number of Official MAD Pins commissioned shall never exceed the demand! (In the event of a tie, all production will cease! That's our commitment to quality!)

These are the very same Pins that will be offered by us again and again and again in future issues of MAD Magazine!

An Important Reminder! Each Official MAD Pin is so valuable it will be personally delivered to your home by an official United States Government Employee, dressed like a mailman!

This offer is neither endorsed nor in any way connected to the Franklin Mint, Benjamin Franklin, Joe Franklin or Franklin Delano Roosevelt!

DEER MAD...

Regarding the "I'm the NRA" ad parody on the back cover of MAD #308, my question is: How in the world did you get that picture of the deer? Was it a stuffed deer that was propped up, or was it an overlapped picture?

Jeff Garner
Colorado Springs, CO

As the accompanying photo shows, the deer was not harmed, although an L.L. Bean salesman was critically injured while measuring the deer's inseam for its khakis!—Ed.

THERE'S A SOCCER BORN EVERY MINUTE

As a soccer player for three years for my school and a reader of MAD since issue #4 (which has been passed down in the family for years), I have been very disappointed that when you mention sports, soccer is hardly brought up. You are missing a growing sport. Please do something with soccer and make me proud of you.

STOPGAP MEASURES

You have made fun of probably everything in pop culture, but my question is: When are you going to make fun of the GAP stores?

Maggie Lee
Lawrenceville, GA

Maggie—What are you talking about? In every issue Alfred E. Neuman has a Gap Tooth—and whenever he appears it is a scathing indictment of the miserable GAP franchise, its shoddy workmanship, unseemly retail outlets and oppressive sweatshop conditions! Or are we thinking of Benetton?—Ed.

In the beginning there was Rap. And Rap was good and clean and decent. But then there fell over Rap the dark shadow of Sex and Sleaze. And Rap suffered and was declared obscene and was sometimes banished from the airwaves and the shelves of the record stores. Can Rap survive? Yea, sayeth MAD! Rap can silence the nay-sayers by basing its songs on the one Book not even its severest critics can object to. All of which leadeth to the following offering—

MAD RAPS UP THE BIBLE

ARTIST: GEORGE WOODBRIDGE

WRITER: FRANK JACOBS

Adam and Eve's Garden of Eden Rap

Hey, Adam honey—let's pitch... some... wool!
I could really let loose with a stud... like... you!

I've been around, baby—don't feed... me... lies!
I bet you say... that... to all... the... guys!

Get off... that... kick—stop fearin' the... worst!
You gotta believe me that you're... the... first!

You've sold... me, baby—before... we're... through,
We'll be rais-ing... Cain and A-bel... too!

There's just... one... catch—first we have... to... eat
This apple that the serpent says is one... great... treat!

I'll take... a... bite—though for man-kind's... sake,
I've a terrible feeling it's a big... mis-take!

Noah's Great Flood Rap

It really ain't much . . . of a hol-i-day cruise
When your ark's twice as smelly as a doz-en . . . zoos;
I'd have been . . . less . . . eager if the Lord had ex-plain'd
That none . . . of the creatures was toi-let . . . trained;
Yo, it's might-y . . . tough catching up on your sleep
When you're sharing your bed with lizards and sheep;

Moses's Ten Commandments Rap

I've rapped forty days with the Heavenly . . . Dude,
And He ain't . . . too . . . pleased with your at-ti-tude;
So you better wise . . . up and have a look-see
At these Ten Com-mand-ments He's laid . . . on . . . thee:
All killing's a no-no—not even for fun,
And when it comes to pray-in', He's the On-ly One;
If you curse His name, you'd better re-pent,
And don't steal no goodies from your neigh-bor's tent;
If He catches you ly-in', He'll damn you quick,
And you can't get it on with another guy's chick;
If you wax the Sabbath, He'll zap . . . you . . . bad,
And you better not . . . dis your Mom . . . or . . . Dad!

To make . . things . . worse, I discovered to-day
That the camels get sea-sick and the hippos are gay;
There were once two rabbits—now, good-ness . . me—
The last time I counted, there were for-ty . . three;
Still, I promised the . . Lord I'd keep 'em a-live—
Course, that all . . de-pends whether I sur-vive!

Way to go there, Moses—you've shown . . your . . stuff,
But these Laws . . from . . God are way . . too . . tough;
Could you maybe go . . back and see Him again?

Hey, you're lucky I got
Him down . . to . . Ten!

HOW YOU LIKE
ME NOW?

Jonah's Inside-the-Whale Rap

Hey, livin' in a whale, I gotta confess,
Was never my . . . choice of a fancy ad-dress;
It's dark . . . and . . . damp, and I know . . . it's . . . true
That there really ain't much of a scen-nic view;
But consider the up-side—the rent . . . is . . . free,
And I know that I'll always have pri-va-cy;

David's Rap with Goliath

I'm Mean Go-liath, the Phil-is-tine—
The Most Valuable Slayer on the Biblical scene;
I weigh six . . . hundred, pack an awe-some . . . punch,
And I chew . . . up . . . Is-ra-el-ites . . . for . . . lunch!

Don't front me, Goliath—as I . . . re-call,
The grosser they . . . are, the harder they fall;
Far as I'm . . . con-cerned, you can do . . . your . . . worst—
That is, if your smell . . . doesn't kill . . . me . . . first!

The crime-rate's . . . low, and I nev-er . . . fear
That my rel-a-tives will visit me . . . here;
I can sing . . . and yodel, as loud as I please;
Plus there's rad-i-ant heating, so I nev-er . . . freeze;
Though it needs . . . some . . . fixin', well, just . . . you . . . wait
Till you see how . . . it . . . looks when I re-dec-o-rate;
True, it ain't . . . the classiest place . . . a-round,
But it sure . . . as . . . hell beats get-tin' . . . drowned!

I'm the 10-to-1 fav'rite on the bet-ting . . . line,
And crushin' you, David, will suit . . . me . . . fine;
Prepare . . . your-self for an ear-ly . . . grave—
'Cause one blow . . . from . . . me, and it's bye-bye, Dave!

I'm shakin', Goliath, I'm pet-ri-fied—
'Cept the Man . . . Up-stairs is on . . . my . . . side;
Your days . . . are . . . done crushin' flesh . . . and . . . bones;
You've got . . . the . . . weight, but I've got . . . the stones!

COMING DETRACTIONS DEPT.

Alert readers (both of them) are aware that we have done two articles on records and benchmarks that will soon be broken or surpassed. They were probably expecting us to stop there. We aren't! Yes, MAD too, is trying for a record: Most Readers Bored or Nauseated by the Same Premise! NEW BENCHMARKS, ROADS AND BARRIERS IS RAPIDLY APPROACHING PART III

If you find that your homework just doesn't hold your interest, why not run down to the video store and rent some of these films? Then, when you repeat this semester next year, you'll have fewer distractions. This may not make much sense, but then again, does algebra? Ponder this question as you scan...

ARTIST: SAM VIVIANO

"CITY SLICKERS"

How does a family man who is about to turn forty cope with his midlife crisis? According to this simple-minded movie, he joins some friends for a dangerous fantasy adventure in the West where

these city dudes talk endlessly about their problems. The real danger comes from the risk of their horses listening to their talk and collapsing from boredom on some steep mountain trail!

"THELMA AND LOUISE"

This is a film about two women who start off on a vacation and wind up killing, robbing and shooting. They should've gone on a Carnival Cruise instead! True, they might have gotten seasick, but they might've gotten

the chance to shoot Kathie Lee Gifford! One of the women is smart, the other isn't. They plan their wild crime spree so they can feel fulfilled and earn the respect of men. And this is the plan of the smart one, yet!

VIDEO REVIEWS

WRITER: STAN HART

"THE ROCKETEER"

Here's a movie with nothing for everyone. It has nostalgia that the kids won't get and a kiddie plot that the adults won't like! It's hard to believe anything about this movie, starting with

Jennifer Connelly's chest! Set in the 1930's, it's all about Nazis and spies and has a big ending involving a huge zeppelin which, like everything else about the film, is full of hot air!

"TRUTH OR DARE"

In this documentary, we get to learn more about Madonna than anyone could ever want to. When she's not destroying taboos (thereby giving them a good reason to exist), she's letting us in on all her private thoughts and feelings. But that's not too bad—it means, hopefully,

she won't have any private thoughts or feelings left for a sequel! Madonna demonstrates that she doesn't know the meaning of the word "shame." Hey, Madonna, for your info, "shame" is what one should feel when charging your fans seven bucks a pop to see this epic of egotism!

"THE DOCTOR"

This film was intended to act as a consciousness raising statement about doctors, but it turned out to be an unconsciousness raising experience for the audience! Since videos make house calls, stay home and see this

story about a cold-hearted doctor with a serious disease who must be a patient in the same hospital he worked in as a surgeon. He survives the ordeal only because he's lucky enough not to have himself as his doctor!

"REGARDING HENRY"

Here's another film about how a successful professional man finds the real meaning of life through adversity! (Sounds a little like "Doctor," doesn't it?) In this weepie, a lawyer gets two thirds of his brain

blown off! No big deal because you don't need more than one third of a brain to be a lawyer! Because of the wound, though, he has amnesia, an affliction so cliché they don't even use it in Soap Operas anymore!

THE LOOPY LAVATORY LUNACY

As children we were always told to bone up on the three "R's"—Readin', Ritin', 'Rithmetic. (Of course, spelling two of these three words wrong never helped much!) But the truth of the matter is that students have not cornered the market on alliterative catch phrases. Indeed, every occupation and endeavor has their own silly sounding sayings. Let us now show you ...

ARTIST: ANGELO TORRES

WRITER: DICK DEBARTOLO

Hi, I'm Upchuck Wobbly, and this is **Love Corruption!** We're the show that shoves Cupid's arrow right down your throat! Our first guest is **Phylliss Lacklove!** Her biggest complaint about men? They stare at her! Phylliss, don't you think the fact that you're a **go-go dancer** at a **topless bar** is a possible reason men stare at you?

Gee, I never thought about that! You're a **very wise** man, Upchuck! Full of **keen insights!**

Let's look at the three studs we've selected for Phylliss!

Bernie is a security guard and he carries a **big nightstick!**

Carl is a junior league umpire who swings a **big bat!**

Jack plays music at church receptions and has a **big organ!**

MOAN

ARSENIO WANNABE

What are these buttons for?

To open and close the fly on your Levi's 501's. idiot!

No, these other buttons!

They register our votes as we match up the ideal mates on the stage!

I don't know anything about romance!

That's exactly why you were selected to be one of the voters!

Upchuck, of those three men, I picked **Jack!** Let me tell you about **our date**. He picked me up right on time!

Jack plays the organ at funerals. Did he freak you out by picking you up in a hearse?

No, he showed up driving a very nice convertible!

Too bad!

And he took me to a very fancy Beverly Hills restaurant for dinner!

Oh no, a fancy restaurant! I bet you weren't dressed for it and you were humiliated and—

No, he told me what to wear in advance and we both looked great! We fit right in!

Well so far, this date really sucks!

OUUUUU

Then we drove up to lover's lane!

And he was all over you like an octopus in heat!

No, he was a perfect gentleman. He even explained a couple of facts about the moon!

Finally, we're getting somewhere! So what happened after he explained he was going to "moon" the other couples!

I didn't moon anyone, Upchuck! But I did kiss her hand before I dropped her off back at her house!

Kissed her hand? That's sissy stuff! Phylliss, I would have at least sucked your finger!

Honey, I would have kissed your hand, your wrist, your elbow, your neck, your lips—and made a few pit stops in other places!

So you don't even have a hickey to show us? Bummer!

DROOL

UHHH!!! WOW-EEEE!!!

Let's see who the **sex offenders** and **tasteless ghouls** in our audience picked for you to date, **Phallus**, I mean **Phylliss**!

11%

49%

46%

Hey, those percentages add up to more than 100%!

Who cares? I'm not here to learn math, I'm here to drool!

No wonder you had such a terrible date, Phylliss! You picked the wrong man!

But it was the best date I—

Stop whining! The audience says you're going out with Carl and so you're going out with Carl, or we don't pay for your date! And we'll see that you never get on another game show again! We'll be back after these commercial messages!

What the hell is going on back here? Those two contestants had fun on their date! How did two well-spoken, well-adjusted people get through our screening process?

Sorry, Upchuck! We try to select only losers, weirdos, deviants and misfits but occasionally someone normal slips past us!

Yeah, well I don't buy commercials on this show because I'm looking for wholesome entertainment! Either I get the sleaze I expect or I take my commercials over to the FOX Network!

I'm not sure if I should be trying out for this show! I like dating men who are a little older than me. But that's not weird, is it?

No, that's why we have five writers! When we change it to: "She likes to date old men who dominate, suffocate and punish her like her father did," we'll get plenty of "ooohs" from the audience!

I can't believe it! I had to record five hours of that last contestant!

Wow! She was that nutty?

No, she was that SANE! But with five hours of video, we can easily cut 30 seconds together that will make her sound "off the wall"!

I tend to look for love in all the wrong places!

Wrong places? Like where?

Under the arms, between the toes...

You passed the audition! You're on the program!

When I picked her up she was wearing a two-foot nose earring made of human hair! She's disgusting!

Look who's talking! This geek has the nasty habit of biting fingernails! Other people's fingernails! He's revolting!

Perfect! That's just the kind of "love talk" Upchuck likes to hear! Do it that way on the air! But you can be mean if you want to!

What guys have you got lined up for tomorrow's show? I've got a punk biker, a heavy metal drummer and a bizarre tattoo artist!

I've got the perfect match! A demure, sophisticated, classical violinist! No matter who the audience matches her with, it will be a disaster!

Which translates into a big ratings grabber!

No, you don't win prizes or money on this show! And you don't answer questions, solve puzzles, do stunts, or guess what the survey says!

Then what is the object of the game?

That's the other thing! This is the only game show with no game! Two people just embarrass each other on the air and go home! It's pure fun and entertainment, except for the contestants!

Commercial's almost over, Upchuck! You're back on in thirty seconds! Do you remember all your moves?

I think so! I walk in, sit down on the couch, and I sit there till the end of the show!

You're a genius to work with! Alex Trebek or Wink Martindale would need that on cue cards!

Now it's time for a new feature—Celebrity Love Corruption! We've added it because I desperately want to work with stars, and this is my only chance since my talk show got the old heave-ho!

Our first superstar guest has been seen on many major network shows—in the commercials! Let's see a bit of her best known work!

I've fallen and I can't get up!

Don't bother getting up dear! Just look at the monitor and we'll see who we picked out for you!

I don't care how a woman dresses for a date! She could just wear a raincoat for all I care! Heh! Heh!

I'm not looking for a date myself! But my nephew, William Kennedy Smith, has trouble finding women so I'm trying to help out!

I like women who... who... who... Hell—I just like women! And the bigger the butt, the better!

Which one of these guests did you pick for your date?

Who cares? I like going to movies alone anyway!

I'm glad she didn't pick me, because I'd have to walk out on stage—and I'm not wearing any pants! But my nephew's going to be disappointed!

I have no witnesses! I was nowhere near this broad! She was down on the floor when I got here! I don't want no lawsuit! I never grabbed her or laid a finger on her!

None! I'm old, I'm infirm, but I'm not nuts! I'd rather stay home and play with my Medic Alert button than go out with any of those losers!

This is Upchuck Wobbly! Join us again next time for another half hour of "class TV" on Love Corruption!

Hi, I'm **Huge Downer** and this is **50/50**, the only television newsmagazine where the odds of seeing an informative, entertaining report are about 50/50!

I'm **Babar Falter**! Tonight, we turn our attention to a group of **ruthless people** who have made millions by twisting facts and presenting a distorted view of reality!

You mean we're reporting on **Exxon**?

No!

The **NRA**? **Travel Agents**?

Wrong!

You don't mean **us**, do you?

Shut up, you **quasi-has-been**! The ruthless people I'm talking about are the subject of this **special investigation**...

50/50 REPORTS ON SLEAZE BIOGRAPHERS

ARTIST: MORT DRUCKER

WRITERS: JOE RAIOLA AND CHARLIE KADAU

I'm here with **Katty Kallous**, author of many **best-selling biographies**. Critics have dismissed her books as nothing but **character assassination** filled with **unfounded rumors**!

Huge! It's good to see you **out** from behind your **desk**! I was wondering if you still had **legs**!

Katty, lots of people claim your book about **Nancy Reagan** was not **adequately researched**!

Wrong! My research methods are **exhaustive** and **impeccable**! I conducted **countless interviews**!

Countless? That's hard to believe!

It's true! I didn't interview a **single Count**! I spoke to the people who know the **real inside story**—the **man who read her gas meter** one summer, her **astrologer's car mechanic** and a **Jehovah's Witness** who rang her doorbell while she was **on vacation**!

APPLE FROM **Snow White**

WHO NEEDS FRIENDS? **ALONE**

How do you decide if someone is a good subject to write a biography about?

There are very **specific conditions** that must be met **before** I'll write about anybody!

You mean like **making sure** you'll be able to present a **fair and accurate portrait**?

No way! If I had to meet **that condition** I'd **never** write a book! The condition I mean is getting a publisher to pay me **three million dollars—up front!**

Let's say you were going to write a **biography about me**. What kind of questions would I be asked?

You? **Who needs you?** I'd talk to **your enemies!** Everyone who holds a **grudge** against you! People who think you **offended them**. **Disgruntled former co-workers and lovers!** By the way, is that a **toupee** you're wearing?

But what if you're someone like me who **doesn't have any enemies?**

Everyone has enemies! People you've **long forgotten** have been **holding grudges** against you for years! For example, I spoke to your old college roommate, **Bill Zacky!**

Bill! What a **great guy** he was! He **never** had a **bad word** to say about **anyone!**

He did after I spoke with him! Listen to this!

Weren't you **Huge Downer's** college roommate?

Sure was! How is my ol' pal **Huge?**

He says you **cheated on exams** and have a **hook nose!**

He said that? That **two-faced backstabber!** He was the **campus moron!**

See? Sure sounds like an **enemy** to me!

But I **never** said any of those things!

So what? I won't quote you in the book—only **your friend!** After all, I do have to maintain my **journalistic integrity!** By the way, is that **alcohol** I smell on your breath?

Integrity? But you'd be printing what he said **out of context!** If I told you that I **dreamed Julia Roberts is sleeping with Danny DeVito**, would you report it as **fact?**

Wow! "**Huge Downer reveals Julia Roberts/ Danny DeVito love nest!**" I can base a **whole book** on it! Thanks!

I didn't say that!

Yes, **you did!** I got it right here on **tape!** But, because I'm so nice, I'll let you be one of my "**unnamed sources!**"

Are you **hiding** from the **incensed fans** of the people you've **denigrated** in your books? Your **Elvis** book **angered** millions!

Yeah, and that's just what I **wanted!**
Why?

Simple! Everyone who got angry about it **bought a copy** to check the **in-accuracies!** Add them to the ones who bought it just to **burn** and we're talking **another year** on the **bestseller list!**

Whenever you're **sued** for **libel**, your **defense** is that since your subjects are **public figures**, you can write **anything** you want about them!

That's **right**, and **judges** always **rule** in my **favor!**

Why do you **suppose** that is?

Because **judges** are **public figures** too! They know if they **rule against** me I'll write about them! Besides, **libel suits** help **sales!** I prefer **court action** right around the **paperback release!**

In your **John Lennon** bio, you say he went to a **ballgame** with his **son** and left before it **ended** just to show his **contempt** for him!

I **didn't** make it up! That **really** happened!

What you **didn't** say was that he left at **1:30 AM** in the **19th** **inning** of a **scoreless** game! It was **snowing** and his **boy** had been **asleep** for **two hours!**

He waited just for those **circumstances** to show his **hate!** Boy, what a **mean-spirited** **conniver!** It's the perfect **alibi** for all his **vileness!**

What do you tell **critics** who **dismiss** your books as **pap**, designed to **pander** to an **uneducated** public?

You mean like **your show** did when it aired an **exorcism** that looked staged for your **camera?**

I **with-draw** the **question!**

In **closing**, **Albert**, who will be the **subject** of your next book?

No one! In fact, I've decided to **quit** **writing!**

I'm going into a field where I can be **even sleazier** than I was when I was an **author!** Where I can present **lies** as **facts** and **twist** the **truth** to suit my **needs** with **no problem!**

How come?

You don't mean...

Yes! I'm **running** for **President!** If **George Bush** did it, so can I!

Gulp! You may be right! This is **Babar Falters** signing off for **50/50!** We're in **touch**, so you keep your **hands** to yourself!
